ICAR-National Institute of Veterinary Epidemiology & Disease Informatics
Ramagondanahalli, Yelahanka, Bengaluru -560 064

Advt. No. F.No. 12-22 /NIVDEI/2017-18

Dt.17.10.2018

WALK IN INTERVIEW

A Walk-in interview for Four positions of Senior Research Fellow, two positions each of Research Associate & Junior Research Fellow and one position of Office Assistant will be held at 11.00 AM on 2-11-2018 and six positions of Young Professional-2 and four position of Young Professional -1 under various projects will be held at 11.00 AM on 03.11.2018 in ICAR-National Institute of Veterinary Epidemiology and Disease Informatics, Yelahanka, Bengaluru-560 064 and all the positions are co-terminus with the respective projects. Candidates are required to bring testimonials in original and one set of self-attested copies of testimonials & one passport size color photo along with completed application form (which may be downloaded from the website – www.nivedi.res.in), at the time of interview. Interested candidates may visit www.nivedi.res.in for details.

The details of Educational qualification required, experience & remuneration are shown below:

Sd/-
DIRECTOR

Sl.No	Name of the project	Name of post No of Position	Education Qualification required	Experience	Remuneration	Age
1	2	3	4	5	6	7
Interview for the following positions will be held on 02.11.2018 at 11: am						
1	Grant in Aid PPR-CP project Period upto 31.03.2019	Senior Research Fellow (One Position)	Master degree in the relevant subject MSc (Ag) in Agricultural Economics / MSc (Ag) in Agricultural Extension or Extension Education) / MSc (Ag) in Agricultural Statistics /MSc (Ag) in Agricultural Marketing & Cooperation / MVSc or MSc in Livestock Economics or Dairy Economics or Animal Husbandry Economics /MVSc or MSc in Veterinary Extension or Dairy Extension or Animal Husbandry Extension	(i) Expertise in statistical techniques and knowledge in software's like SPSS or SAS or R, (ii) Proficiency in computer skills (iii) Knowledge in mathematical Modeling.	₹.25000/- Plus HRA per month	35 years for men and 40 years for women as on the date of Advertisement
		Senior Research Fellow (One Position)	Master or Ph.D. degree in the relevant subject Master degree in Animal Biotechnology/Veterinary Biochemistry/ Veterinary Microbiology/ OR M.Sc in Microbiology/ Biotechnology/ Biochemistry with NET / OR Ph.D. in life-science especially in Microbiology/ Biotechnology/ Biochemistry	(i) Proficiency in computer skills (ii) Basic Knowledge in statistical techniques (iii) Knowledge in ELISA techniques and Hands on experience	₹.25000/- Plus HRA per month	35 years for men and 40 years for women as on the date of Advertisement
2	MRC Funded Project'' Through Ceh UK Titled'' Optimizing Forest Benefits Whilst Minimizing Impacts Of Emerging Zoonotic Diseases: Co-Developing an Interdisciplinary Tool For Forests In India'' Project	Research Associate (One position)	PhD in Veterinary Parasitology/ Veterinary Microbiology/Veterinary Pathology/Veterinary Medicine OR M.V.Sc. In Veterinary Parasitology/ Veterinary Microbiology/Veterinary Pathology/Veterinary Medicine with minimum of three years' experience in research, teaching with at least one research paper in science citation indexed (SCI) Journal OR PhD in Entomology/Zoology	Experience in taxonomy of ticks and experience working with molecular techniques Responsibilities In the project The RA is expected to be involved in the process collection of ticks from field sites and identify a species level using morphological and molecular taxonomic approaches. The engorged tick species will also be analysed for host preference studies. RA is also expected to support field visits to collect rodent samples and analyse them for host preference studies.	₹.36,000-40,000 (depending on the qualification and experience) + HRA as per norms	Upper age limit 40 years for men - 45 years for women (as on the date of advertisement)
		Research Associate (One position)	PhD in Veterinary Extension/ Veterinary Biostatistics / Agriculture extension OR M.V.Sc in Animal Husbandry extension/Biostatistics with minimum of three years' experience in research, teaching with at least one research paper in Science Citation Indexed (SCI) journal	Experience in conducting questionnaire-based surveys and use of participatory tools will be preferred Responsibilities In the project 1. The RA is expected to be involved in designing and analysis of questionnaires from different field sites. 2. RA is expected to actively involve in conducting workshops for stakeholders 3. Involve in conducting surveys using Participatory epidemiology tools 4. Expected to travel extensively in the western regions of Karnataka and Kerala	₹.36,000-40,000 (depending on the qualification and experience) + HRA as per norms	Upper age limit 40 years for men - 45 years for women (as on the date of advertisement)

3	NICRA Project	Senior Search Fellow (One position)	M.Tech in Biotechnology or M.sc in Biotechnology with Net or Gate qualified	Knowledge in molecular techniques, processing RT-PCR etc. Survey and sample collection	₹.25000/- Plus HRA per month for first 2 years and Rs.28000/- for 3 rd year	35 years for men and 40 years for women as on the date of Advertisement
		Office Assistant (One position)	Intermediate with computer knowledge	Basic computer knowledge, organizing and keeping files and data entry, post office activities etc	₹.12000/- per month consolidated	18 to 30 Years
4	DBT ADMAC Project DST project on “Immuno-epidemiological characterization of pigs as an amplifying host of Japanese Encephalitis”	Junior Research Fellow (One Position)	M.Tech in Biotechnology OR MSc in Biotechnology/Bioinformatics with NET or GATE qualified OR MSc in Agriculture OR BE in Biotechnology/Bioinformatics with NET or GATE qualified	Experience in data analysis, minimum knowledge on statistical software	₹.25000/- Plus HRA per month	35 years for men and 40 years for women as on the date of Advertisement
		Senior Research Fellow (One Position)	Post Graduate Degree in basic science with NET qualification OR Graduate degree in professional course with NET OR Post graduate degree in professional course In addition to above requirements the candidate should have two year of research experience	1. Laboratory experience in handling flow cytometer 2. Practical experience doing ELISA is desired.	₹. 28000/- Plus HRA	35 years for men and 40 years for women as on the date of Advertisement
5.	DBT Duck Project entitled Molecular platform for epidemiology, disease mapping and development of diagnostics for economically important diseases of ducks	Junior Research Fellow (One Position)	M.Tech in Information Technology or Computer Science OR BE in Computer Science or Information Science with NET or GATE qualification	Experience in R programming GIS Mapping predictive Risk mapping, GLDAS data extraction, Experience in remote sensing data extraction, GRID creation	₹.25000/- Plus HRA per month for first 2 years and Rs.28000/- for 3 rd year	35 years for men and 40 years for women as on the date of Advertisement

Interview for the following positions will be held on 03.11.2018 at 11: am

6.	National programme on AMR in livestock & fisheries "Indian Network for Fisheries and Animal Antimicrobial Resistance (INFAAR)	Young Professional-II (One position)	Post Graduate in Agricultural / Graduate degree holders in Engineering/Technology/Veterinary Science OR In the event of non-availability of suitable candidates, the candidates with following qualification will be considered M. Sc in Biochemistry/Biotechnology/Microbiology/ Biological/Life Science	1. Working experience in Microbiology laboratory 2. Knowledge of antimicrobial resistance and its impact.	₹.25000/- Consolidated Per month	21 to 45 years with relaxation as per rules on the date of Advertisement
7.	Institute Project, on "Monitoring and surveillance of Sheep and Goat Pox Disease"	Young Professional-I (One position)	Graduate degree in Agriculture (OR) In the event of non-availability of suitable candidates, the candidates with following qualifications will be considered M. Sc in Biotechnology/Microbiology/ Biological/Life Science.	Laboratory Experience working with animal cell culture, isolation of animal viruses, cloning and expression, Hands on experience in ELISA and PCR. OR Working and hands on experience in molecular diagnostic assays. Working knowledge in computers with basic bioinformatic analysis	₹.15,000/- per month Consolidated	21 to 45 years with relaxation as per rules on the date of Advertisement
8.	Institute Krishi Portal-ICAR Research Data Repository for Knowledge Management	Young Professional-I (One position)	Graduate degree in Agriculture In the event of non-availability of suitable candidates, the candidates with following qualifications will be considered MSc in life sciences or MCA Masters in Computer Applications.	1-2 Years working experience	₹.15,000/- per month Consolidated	21 to 45 years with relaxation as per rules on the date of Advertisement
9.	BCP Project on Brucellosis	Young Professional-I (One position)	Graduate degree in Agriculture In the event of non-availability of suitable candidate, the candidates with following qualifications M. Sc in Biochemistry/Biotechnology/Microbiology/ Biological/Life Science will be considered	Laboratory experience working with serological tests and disease diagnosis. Experience in statistical data analysis and knowledge in computer application tools will be preferred	₹.15,000/- per month Consolidated	21 to 45 years with relaxation as per rules on the date of Advertisement
10.	Institute Project (Web Management and NADRES)	Young Professional-II (One position)	MCA OR BE in Computer Science	Experience in networking, LAN/WAN/System admin	₹.25000/- Consolidated Per month	21 to 45 years with relaxation as per rules on the date of Advertisement
11.	Institute Project	Young Professional-II (One position)	BE (Civil) / B.Tech (Civil)	1 to 2 Years work Experience in Government organizations	₹.25000/- Consolidated Per month	21 to 45 years with relaxation as per rules on the date of Advertisement
12.	Institute Project (ERP MIS/FMS System)	Young Professional-II (One position)	Master of Computer Application	Candidate should have at least one-year experience in managing ERP MIS/FMS system in ICAR/Govt/Private institutions.	₹. 25,000/- Consolidated per month	21 to 45 years with relaxation as per rules on the date of Advertisement
13.	Institute Medical unit Paramedical staff	Young Professional-I (One position)	BSc Nursing / Diploma in Nursing or B. Pharmacy / Diploma in Pharmacy	2-3 Years working experience in reputed Hospitals	₹.15,000/- per month Consolidated	21 to 45 years with relaxation as per rules on the date of Advertisement

14.	Grant in Aid PPR-CP project Period upto 31.03.2019.	Young Professional-II (One Position to be placed at Jaipur, Rajasthan)	Master degree in the relevant subject MSc (Ag) in Agricultural Economics / MSc (Ag) in Agricultural Extension or Extension Education) / MSc (Ag) in Agricultural Statistics /MSc (Ag) in Agricultural Marketing & Cooperation /MVSc or MSc in Livestock Economics or Dairy Economics or Animal Husbandry Economics / MVSc or MSc in Veterinary Extension or Dairy Extension or Animal Husbandry Extension/MVSC in Veterinary science with experience in field surveys	Expertise in statistical techniques and knowledge software's like SPSS or SAS or R,	₹.25000/- Consolidated Per month	21 to 45 years with relaxation as per rules on the date of Advertisement
15.	Grant in Aid PPR-CP project Period upto 31.03.2019.	Young Professional-II (One Position to be placed at Hyderabad, Telangana)	Master degree in the relevant subject MSc (Ag) in Agricultural Economics / MSc (Ag) in Agricultural Extension or Extension Education) / MSc (Ag) in Agricultural Statistics /MSc (Ag) in Agricultural Marketing & Cooperation /MVSc or MSc in Livestock Economics or Dairy Economics or Animal Husbandry Economics / MVSc or MSc in Veterinary Extension or Dairy Extension or Animal Husbandry Extension/	Expertise in statistical techniques and knowledge software's like SPSS or SAS or R,	₹.25000/- Consolidated Per month	21 to 45 years with relaxation as per rules on the date of Advertisement

Note: Positions may increase or decrease depending upon the need of the Institute.
